Digital Impressioning is taking the dental industry by storm and helping practices quickly become more efficient with greater precision, fewer remakes, less chair time due to less timely adjustments, and enhanced workflow to complete clinical procedures, faster.

COURSE TOPICS:

- ✓ Greater efficiency frees up valuable chair time resulting in greater productivity
- ✓ Improved case speed as files are sent digitally to the laboratory, not shipped or delivered
- ✓ Enhanced patient benefits including fewer office visits and a more patient friendly impression technique
- ✓ Digital Impressioning allows for savings in material costs
- ✓ Marketing your practice and how hi-tech equipment can deliver quality dentistry

Presenter: Dr. Dean Vafiadis received his dental degree and Prosthodontic specialty training at New York University College of Dentistry. He is currently the Director of the Full-Mouth Rehabilitation CE course at NYU. He is an Associate Professor of Prosthodontics at NYU College of Dentistry. He has lectures nationally and abroad for NYU Continuing Education department. Dr. Vafiadis published and lectured on various topics such as Aesthetics, Implant designs, Computer restorations, Ceramic materials and Occlusion. He is the founder of the New York Smile Institute in NY. It is an educational center, full service laboratory and learning facility as well as a private practice location for a multi-specialty practice for Implant and Aesthetic Dentistry. Currently he is lecturing for the Continuing Education program at NYUCD for Dental Districts in US, Europe and Asia. His patient base includes many Celebrities, Sports Figures, Fortune 500 Company executives, Producers, Directors and Writers in the film industry, Executives in the Fashion world and World renown Chefs and Restaurant Owners. He maintains his private practice Valentino Building near Rockefeller Center. Dr. Vafiadis primary professional mission is to educate, publish and invent new technologies that will help change the dental profession and patients lives. He is a member of the ACP, AAED, AO, AAID, ICOI, AACD and the ADA.

ADA CERP® | Continuing Education Recognition Program

Henry Schein Dental is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education.

ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Henry Schein Dental designates this activity for 3 continuing education credits.

The federal government imposes certain restrictions on, and pursuant to the Sunshine Act requires public reporting of, transfers of value to a practitioner. This includes educational programs to the extent that less than a fair market value for such program is paid. Your Henry Schein representative can advise you of the reportable amount.
